

*With much thought and consideration,  
we have chosen a unique way to say  
'Thank You' for being a part of our special day.*

*In lieu of traditional wedding favors,  
we have made a donation in your honor to*

*Children's Healthcare of Atlanta*

*to help bring hope, health and happiness  
to children across Georgia.*

*Thank you again for your love and support,*

*Brandon and Meghan Anderson*

*"A hundred years from now, it will not matter  
what your bank account balance was, the sort of  
house you lived in, or the kind of car you drove,  
but the world may be different because you were  
important in the life of a child." ~ Anonymous*
