

Facebook Group for Transplant Families at Children's

Join the “Transplant Families at Children’s Healthcare of Atlanta” private Facebook group.

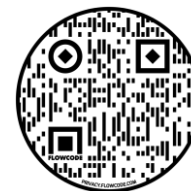

For pre and post-transplant families, this group was created to provide an online community of support where families can:

- Connect with other families
- Learn about resources and opportunities for support, education and fun
- Share milestones, celebrations, and insider tips

To join the Facebook group, scan the QR code with your phone camera and click the pop-up to open the webpage or follow the steps below.

1. Log into your personal Facebook account
2. Search for our group titled “Transplant Families at Children’s Healthcare of Atlanta”
3. Click “Join Group”
4. You will be asked a few questions to receive entry to the group
5. Once you’ve answered the questions, your request will be reviewed and approved by group admins – welcome!

Scan QR Code

This group is intended to be used by parents and guardians of patients awaiting transplant and those who have received a transplant. The page is monitored by group administrators.
