

Duckprints LegACy Dinner

Featuring John Smoltz and Tom Glavine

Thursday, Nov. 5

Maggiano's Little Italy at Buckhead

THE PLAY

This year marks the 25th anniversary of the Aflac Cancer and Blood Disorders Center of Children's Healthcare of Atlanta as well as the Atlanta Braves' 1995 World Series victory. To celebrate these milestones, we are hosting the inaugural Duckprints LegACy Dinner on Nov. 5. This exclusive dinner to raise funds for the Aflac Cancer and Blood Disorders Center will feature different sports legends each year. This year's featured guests will be Braves Hall of Fame players John Smoltz and Tom Glavine.

Attendees will have the opportunity to meet the players and have a professional photo taken with them. Chris Dimino from AM 680 The Fan will emcee the evening and host a Q&A session with the players. One baseball signed by the players will be given for every two seats sponsored. Don't miss this wonderful opportunity to entertain your guests while helping fight childhood cancer.

THE CAUSE

Proceeds from the inaugural Duckprints LegACy Dinner will benefit the Peach Bowl LegACy Fund within the Aflac Cancer and Blood Disorders Center in honor of Anna Charles "AC" Hollis. The fund is exclusively focused on funding clinical drug trials for the most promising new drugs and treatment options for children diagnosed with cancer. The Aflac Cancer and Blood Disorders Center is a national leader among childhood cancer, hematology, and blood and marrow transplant (BMT) programs, serving infants to young adults. Recognized as one of the top ten childhood cancer centers in the country by U.S. News & World Report, the Aflac Cancer and Blood Disorders Center treats more than 475 new cancer patients and follows more than 2,000 unique sickle cell patients each year.

Visit choa.org/jointhefight for more information about how we are saving lives.
