THE LINEUP

Atlanta Braves first baseman Freddie Freeman and the Aflac Cancer and Blood Disorders Center of Children's Healthcare of Atlanta are teaming up for the Freddie and Friends Lunch. This exclusive event will raise funds for the Aflac Cancer and Blood Disorders Center.

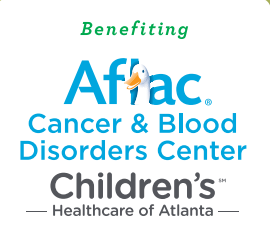

Freddie will invite a Braves representative to join him as his guest at the lunch. Attendees will have the opportunity to interact with Freddie and his guest. For

every two seats sponsored, donors will receive one baseball signed by Freddie. During the lunch, a Q&A will be moderated by a Braves radio personality.

THE PITCH

Proceeds from the Freddie and Friends Lunch benefit the Aflac Cancer and Blood Disorders Center, a national leader among childhood cancer, hematology, and blood and marrow transplant (BMT) programs serving infants to young adults. Recognized as one of the top childhood cancer centers in the country by U.S. News & World Report, the Aflac Cancer and Blood Disorders Center treats more than 500 new cancer patients each year and follows nearly 2,000 patients with sickle cell disease, hemophilia and other blood disorders.
