

MILES FOR MIRACLES

FREQUENTLY ASKED QUESTIONS

What is Miles for Miracles?

Miles for Miracles is a virtual 26 day challenge for Aflac employees, agents, friends, and family members benefiting the Aflac Cancer and Blood Disorders Center. Upon registration, you will receive a race bib and template to track your miles and engage with others participating.

Can anyone participate?

Yes! Everyone is welcome to join the Miles for Miracles challenge. Feel free to invite your family and friends to complete the challenge alongside you.

I am with Aflac. How do I make sure my participation is counted towards my group or market?

When registering, make sure to fill out the “Additional Event Questions” at the bottom of the registration page. The groups with the most participants will get shoutouts throughout the challenge!

How do I submit my miles?

You will track your total number of miles throughout the month of September and at the end of the challenge, you will receive an email to submit your miles. It is important you keep track so we can see how many miles were walked for the kids!

Not a walker or runner?

Feel free to use any sort of activity that encourages you to get up and move, to count as your mile each day! You can walk, jog, skip, run, bike, swim, even take a lap around your neighborhood with your dog or a friend!

Instead of participating in the event, can I just make a straight donation?

Yes! You can make a donation to the event [here](#).

What does my money support?

By participating in the Miles for Miracles challenge, your donation will go directly to support pediatric research at the Aflac Cancer and Blood Disorders Center. By becoming a Miracle Maker, you can go the extra mile by supporting our patients above and beyond. Did you know that a \$260 donation could fund diagnostic testing for a newly diagnosed patient?

For any questions, email AflacGiving@choa.org.
