

How it Started vs How it's Going: Miranda

Children's
Healthcare of Atlanta

Diagnosis: Miranda's primary cardiac diagnosis is HRHS, Tricuspid atresia, Transposition of the great arteries and VSD

Miranda's Cardiologist: Dr. Samai

Miranda's Surgeon: Dr. Kanter and Dr. Chai

Miranda is from: Atlanta

How it Started: 4 Weeks

How it's Going: 5 years 10 months

How it Started vs How it's Going: Liliana

Children'sSM
Healthcare of Atlanta

Diagnosis: Liliana's primary cardiac diagnosis is Coarctation of the Aorta, VSD, PAPVR, Scimitar syndrome, dextrocardia by dextroposition

Liliana's Cardiologist: Dr. Lewis

Liliana's Surgeon: Dr. Shaw

Liliana is from: Kennesaw

How it Started: 7 days old

How it's Going: 11 months old

How it Started vs How it's Going: Benjamin

Children'sSM
Healthcare of Atlanta

Diagnosis: Benjamin's primary cardiac diagnosis is HLHS

Benjamin's Cardiologist: Dr. Videlefsky

Benjamin's Surgeon: Dr. Kogon and Dr. Shashidaran

Benjamin is from: Auburn

How it Started: One week

How it's Going: 6 years

How it Started vs How it's Going: Isaac

Children'sSM
Healthcare of Atlanta

Diagnosis: Isaac's primary cardiac diagnosis is HLHS

Isaac's Cardiologist: Dr. Videlefsky

Isaac's Surgeon: Dr. Subi

Isaac is from: Loganville

How it Started: 1 month

How it's Going: 3 years

How it Started vs How it's Going: Camdyn

Children'sSM
Healthcare of Atlanta

Diagnosis: Camdyn's primary cardiac diagnosis is AVSD, ToF

Camdyn's Cardiologist: Dr. Lindsey

Camdyn's Surgeon: Dr. Shaw

Camdyn is from: Flowery Branch

How it Started: 6 months old

How it's Going: 2 years old

How it Started vs How it's Going: TJ

Children'sSM
Healthcare of Atlanta

Diagnosis: TJ's primary cardiac diagnosis is HLHS then Heart Transplant

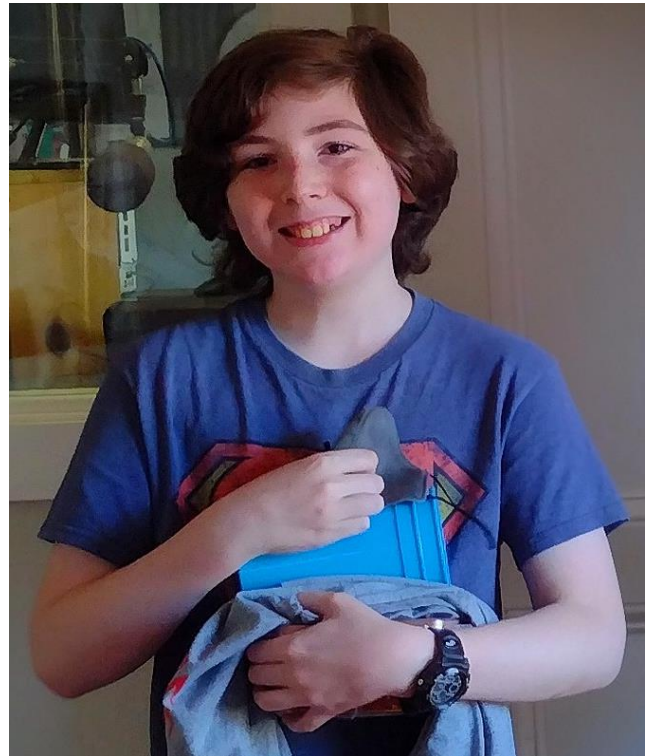

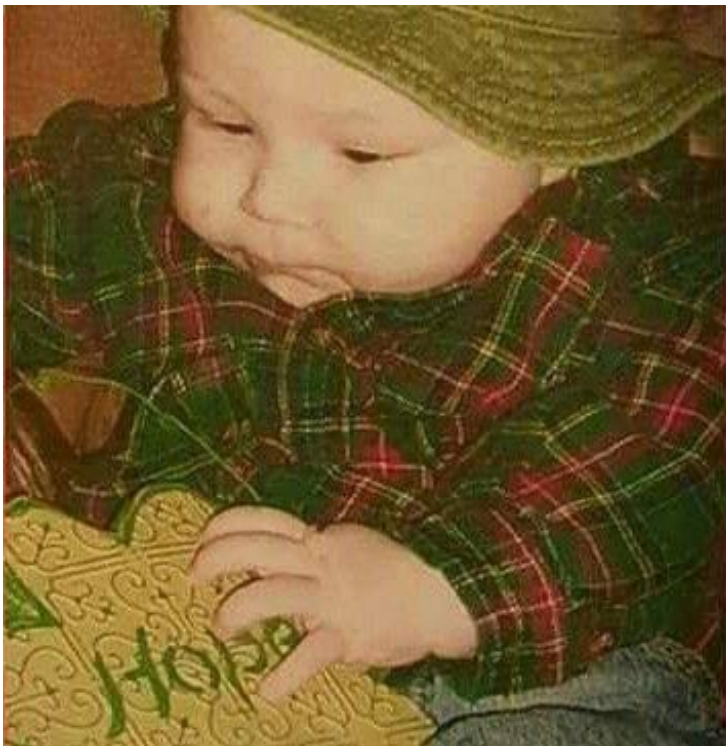

TJ's Cardiologist: Dr. Mao

TJ's Surgeon: Dr. Chai

TJ is from: Franklin, NC

How it Started: Three months

How it's Going: 14 years

How it Started vs How it's Going: Amelia

Children'sSM
Healthcare of Atlanta

Diagnosis: Amelia's primary cardiac diagnosis is AVSD

Amelia's Cardiologist: Dr. Suthar

Amelia's Surgeon: Dr. Shaw

Amelia is from: Newnan, GA

How it Started: 8 months

How it's Going: 2 years and 5 months

How it Started vs How it's Going: Elena

Children'sSM
Healthcare of Atlanta

Diagnosis: Elena's primary cardiac diagnosis is Transposition of the Great Arteries

Elena's Cardiologist: Dr. Robert Campbell (retired) and Dr. Usama Kanaan

Elena's Surgeon: Dr. Kanter

Elena is from: Brookhaven

How it Started: 6 days old

How it's Going: 12 years

How it Started vs How it's Going: Izzy

Children's
Healthcare of Atlanta

Diagnosis: Izzy's primary cardiac diagnosis is DORV, COA, VSD, ASD, PDA, Hypoplastic transverse arch, Unicuspid aortic valve, Aortic stenosis

Izzy's Cardiologist: Dr. Harden

Izzy's Surgeon: Dr. Kanter

Izzy is from: Demorest

How it Started: 5 days

How it's Going: 4

How it Started vs How it's Going: Benji

Children'sSM
Healthcare of Atlanta

Diagnosis: Benji's primary cardiac diagnosis is VSD, ASD, Mitral valve deformed

Benji's Cardiologist: Dr. Border

Benji's Surgeon: Dr. Subi

Benji is from: Kennesaw

How it Started: 2 months

How it's Going: 5 years

How it Started vs How it's Going: Isaac

Children's
Healthcare of Atlanta

Diagnosis: Isaac's primary cardiac diagnosis is Aortic stenosis/bicuspid aortic valve

Isaac's Cardiologist: Dr. Maloney

Isaac's Surgeon: Dr. Chai

Isaac is from: Lagrange

How it Started: 3 weeks

How it's Going: 10 years

How it Started vs How it's Going: Isaac

Children'sSM
Healthcare of Atlanta

Diagnosis: Isaac's primary cardiac diagnosis is Tetralogy of Fallot

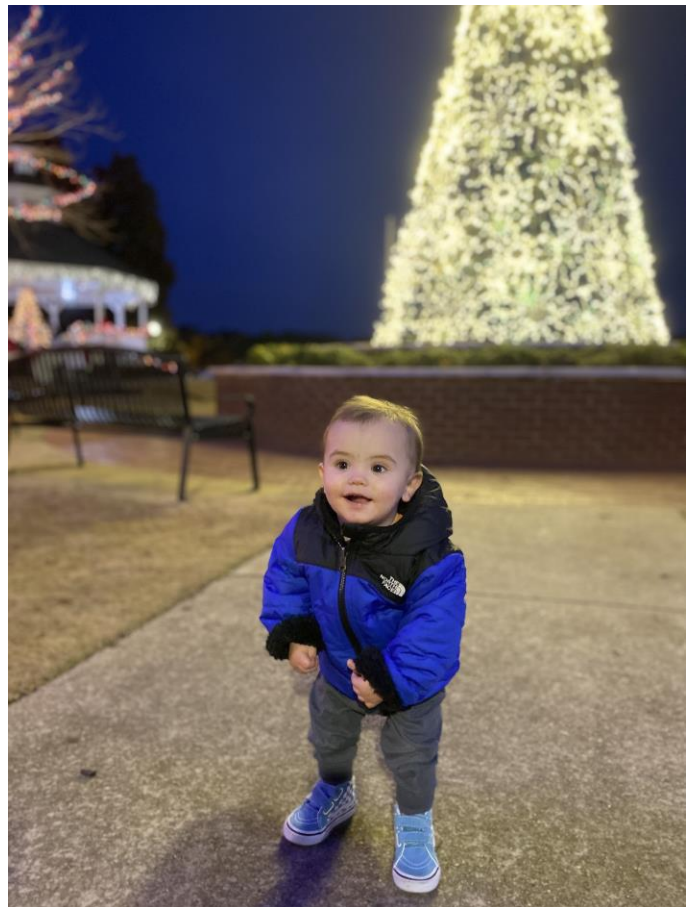

Isaac's Cardiologist: Dr. Mahle

Isaac's Surgeon: Dr. Rajab

Isaac is from: Woodstock

How it Started: 5 months

How it's Going: 15 months

How it Started vs How it's Going: Walker

Children'sSM
Healthcare of Atlanta

Diagnosis: Walker's primary cardiac diagnosis is TGA/VSD

Walker's Cardiologist: Dr Jones

Walker's Surgeon: Dr Kirshbom

Walker is from: Hampton

How it Started: 3 days old

How it's Going: 16 years

How it Started vs How it's Going: Grace

Children'sSM
Healthcare of Atlanta

Diagnosis: Grace's primary cardiac diagnosis is Tricuspid Atresia, Pulmonary Atresia, IVSD, Coronary Sinusoids

Grace's Cardiologist: Dr. Mahle, Dr. Mao

Grace's Surgeon: Dr. Kanter

Grace is from: Mobile, AL

How it Started: 1 month

How it's Going: 14 years

How it Started vs How it's Going: Silas

Children's
Healthcare of Atlanta

Diagnosis: Silas' primary cardiac diagnosis is Dilated cardiomyopathy resulting in heart transplant

Silas Huffman's Cardiologist: Dr. Mao and Dr. Mahle

Silas Huffman's Surgeon: Dr. Kanter

Silas Huffman is from: McDonough

How it Started: 4 months

How it's Going: 8 years

How it Started vs How it's Going: Peyton

Children'sSM
Healthcare of Atlanta

Diagnosis: Peyton's primary cardiac diagnosis is ASS, VSD, pulmonary stenosis

Peyton's Cardiologist: Dr. Iannucci

Peyton's Surgeon: Dr. Kogon

Peyton is from: Alpharetta

How it Started: 1 year

How it's Going: 6 years

How it Started vs How it's Going: Aidan

Children'sSM
Healthcare of Atlanta

Diagnosis: Aidan's primary cardiac diagnosis is Long QT Syndrome

Aidan's Cardiologist: Dr. Fischbach

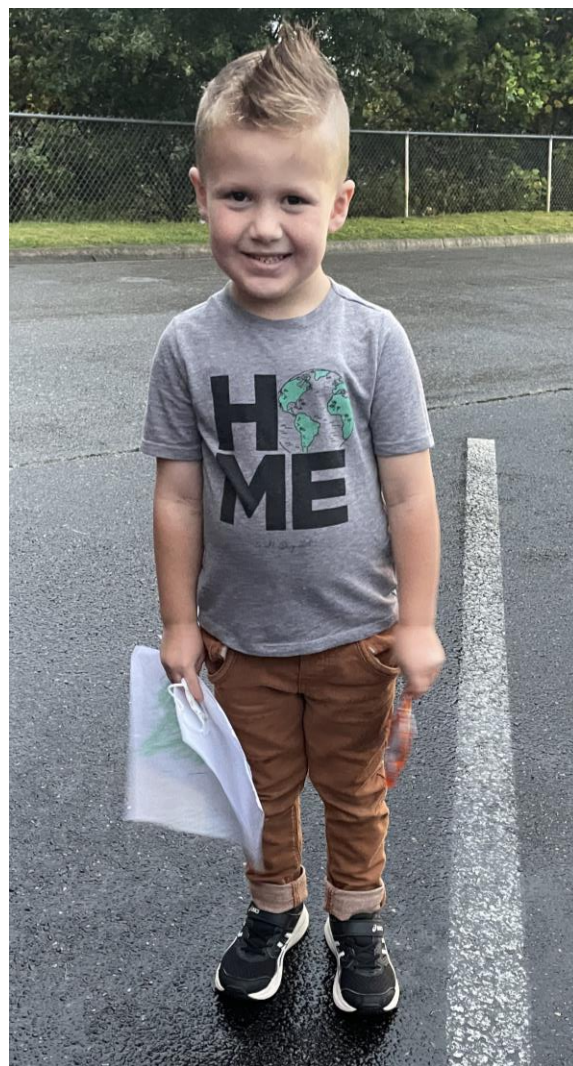

Aidan's Surgeon: N/A

Aidan is from: Canton

How it Started: 5 years

How it's Going: 5 years

How it Started vs How it's Going: Miles

Children'sSM
Healthcare of Atlanta

Diagnosis: Miles's primary cardiac diagnosis is dextro-Transposition of the Great Arteries (dTGA)

Miles's Cardiologist: Dr. Cardis

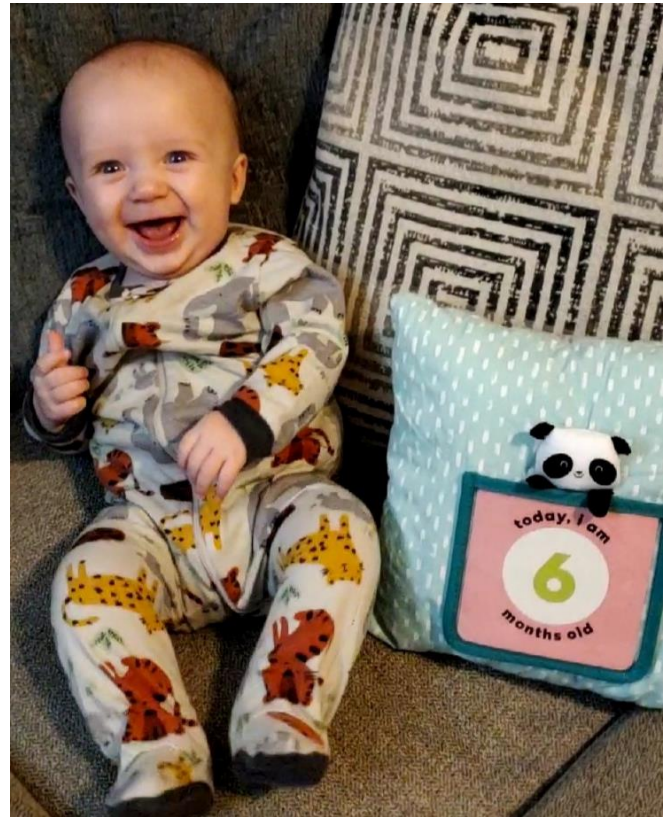

Miles's Surgeon: Dr. Subi

Miles is from: Warner Robins

How it Started: 1 week

How it's Going: 6 months

How it Started vs How it's Going: James

Children'sSM
Healthcare of Atlanta

Diagnosis: James Charles's primary cardiac diagnosis is Shone's complex

James' Cardiologist: Dr Lindsey

James' Surgeon: Dr Subi

James is from: Clarkesville

How it Started: 2 days

How it's Going: 3 years

How it Started vs How it's Going: Crickett

Children'sSM
Healthcare of Atlanta

Diagnosis: Crickett Smith's primary cardiac diagnosis is Transistional AV Canal , CoArch , leaky Mitral valve, Enlarged heart .

Crickett Smith's Cardiologist: Dr. Lindsay

Crickett Smith is from: Toccoa

How it Started: 6 days

How it's Going: Almost 5 months

How it Started vs How it's Going: Hailey

Children'sSM
Healthcare of Atlanta

Diagnosis: Hailey's primary cardiac diagnosis is LTGA, VSD, ASD, Pulmonary Stenosis and dextrocardia

Hailey's Cardiologist: Dr. Toole

Hailey's Surgeon: Dr. Kanter

Hailey is from: Cuthbert

How it Started: 1 year

How it's Going: 6 years

How it Started vs How it's Going: Elena

Children'sSM
Healthcare of Atlanta

Diagnosis: Elena's primary cardiac diagnosis is Pulmonary atresia with VSD

Elena's Cardiologist: Dr. Dodgen

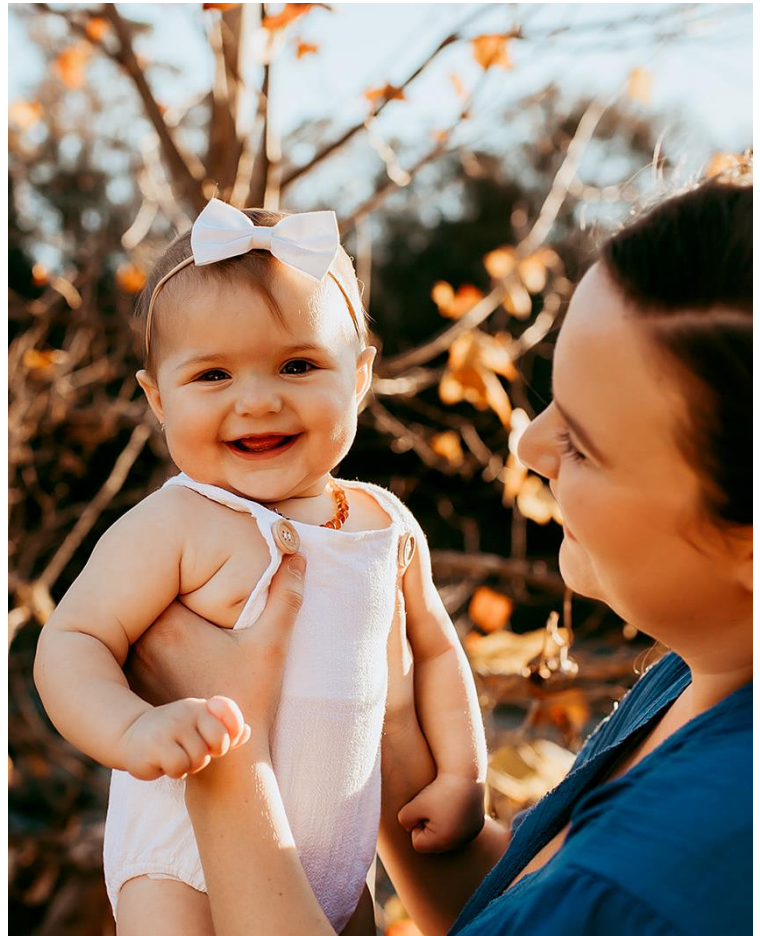

Elena's Surgeon: Dr. Subi

Elena is from: Columbus

How it Started: 48 hours

How it's Going: 8 1/2 months

How it Started vs How it's Going: Nolan

Children'sSM
Healthcare of Atlanta

Diagnosis: Nolan's primary cardiac diagnosis is Double outlet right ventricle, coarctation of the aorta, VSD, Transposition of the Great Arteries and Complete Heart Block

Nolan's Cardiologist: Dr. Ianucci

Nolan's Surgeon: Dr. Kanter

Nolan is from: Canton

How it Started: 9 days

How it's Going: 5 years

How it Started vs How it's Going: Lucy

Children'sSM
Healthcare of Atlanta

Diagnosis: Lucy's primary cardiac diagnosis is TOF

Lucy's Cardiologist: Dr. Iannucci

Lucy's Surgeon: Dr. Rosenblum

Lucy is from: Dunwoody

How it Started: 11 weeks

How it's Going: 6 months

How it Started vs How it's Going: McKinley

Children'sSM
Healthcare of Atlanta

Diagnosis: McKinley's primary cardiac diagnosis is DILV, DOLV, TGA, ASD, Pulmonary Stenosis

McKinley's Cardiologist: Dr. Lindsey

McKinley's Surgeon: Dr Kanter

McKinley is from: Blairsville

How it Started: 6 months old

How it's Going: 3.5 years old

How it Started vs How it's Going: Noah

Children'sSM
Healthcare of Atlanta

Diagnosis: Noah's primary cardiac diagnosis is Heterotaxia Syndrome, Dextocardia, DORV (double outlet right ventricle) without VSD, hypoplastic mitral valve, pulmonary stenosis,

Noah's Cardiologist: Dr. Videlefsky

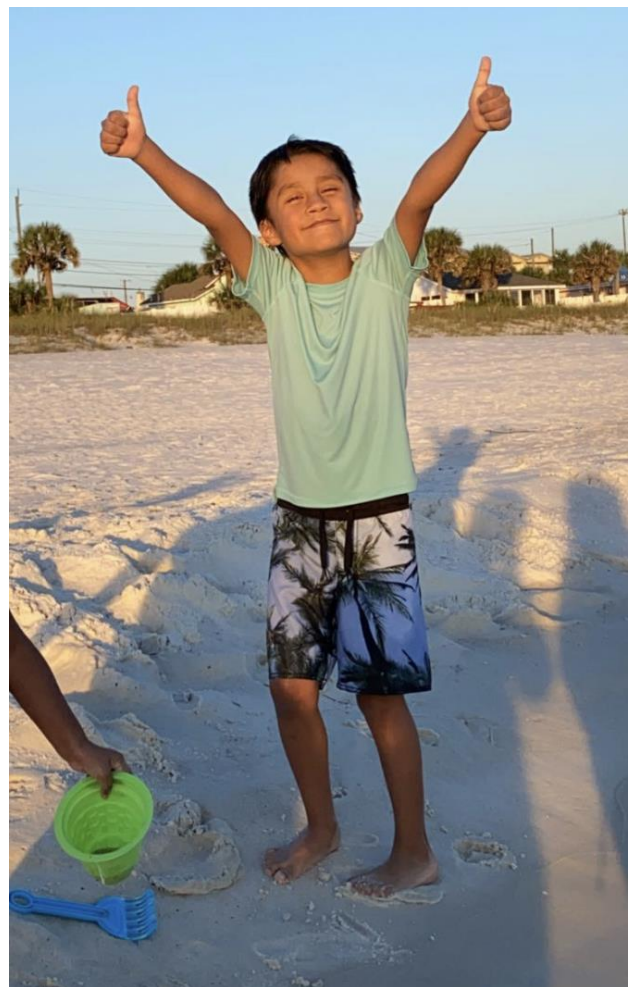

Noah's Surgeon: Dr. Kanter

Noah is from: Gainesville

How it Started: 11 months

How it's Going: 7 years

How it Started vs How it's Going: Mercer

Children'sSM
Healthcare of Atlanta

Diagnosis: Mercer's primary cardiac diagnosis is VSD, ASD, Coarc

Mercer's Cardiologist: Dr. Blackwood

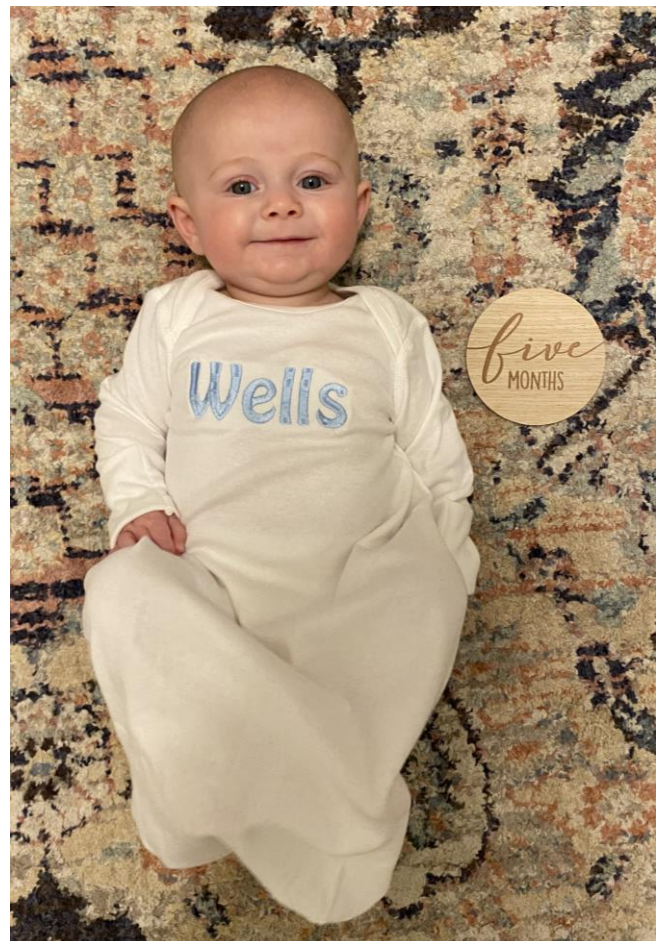

Mercer's Surgeon: Dr. Subi

Mercer is from: Macon

How it Started: 4 weeks

How it's Going: 5 months

How it Started vs How it's Going: Mateo

Children's
Healthcare of Atlanta

Diagnosis: Mateo's primary cardiac diagnosis is Bicuspid Aortic Valve with Aortic Stenosis

Mateo's Cardiologist: Dr. Watson

Mateo's Surgeon: He has only had a balloon procedure with Dr. Holly Bauser-Heaton.

Mateo is from: Marietta

How it Started: 6 days old

How it's Going: 4 years old

How it Started vs How it's Going: Griffin

Children'sSM
Healthcare of Atlanta

Diagnosis: ccTGA

Griffin's Cardiologist: Dr. Piers Barker

Griffin's Surgeon: Dr. Kanter

Griffin is from: Carolina Beach, NC

How it Started: 18 months

How it's Going: 5 1/2 years

How it Started vs How it's Going: Isabella

Children'sSM
Healthcare of Atlanta

Diagnosis: Hypoplastic Left Heart Syndrome (HLHS)

Isabella's Cardiologist: Dr. Frias, Dr. Balfour Dr. McKay

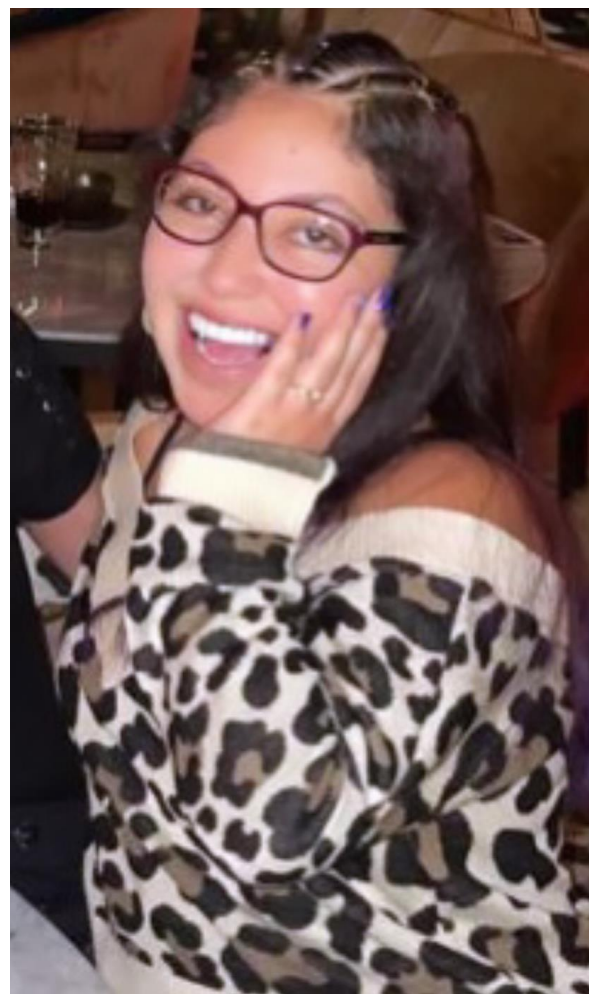

Isabella's Surgeon: Dr. Forbes

Isabella is from: Suwanee

How it Started: 7 days

How it's Going: 17 years

How it Started vs How it's Going: Heidi

Children'sSM
Healthcare of Atlanta

Diagnosis: Heterotaxy Syndrome Single Ventricle

Heidi's Cardiologist: Dr. Blackwood

Heidi's Surgeon: Dr. Chai

Heidi is from: Cochran

How it Started: 4 months

How it's Going: 2 years

How it Started vs How it's Going: Nathan

Children'sSM
Healthcare of Atlanta

Diagnosis: Absent Left Pulmonary Artery

Nathan's Cardiologist: Dr. Heaton and Dr. Mahoney

Nathan's Surgeon: Dr. Subi

How it Started: 8 years

How it's Going: 11 years

How it Started vs How it's Going: Thaddaeus

Children'sSM
Healthcare of Atlanta

Diagnosis: Transposition of the Great Arteries
Thaddaeus's Cardiologist: Dr. Dodge and Dr. Sharma
Thaddaeus's Surgeon: Dr. Shashidharan
Thaddaeus is from: Knoxville

How it Started: 3 days

How it's Going: 3 years

How it Started vs How it's Going: Kyra

Children'sSM
Healthcare of Atlanta

Diagnosis: Transposition of the Great Arteries
Kyra's Cardiologist: Dr. Ravielle and Dr. Clabby
Kyra's Surgeon: Dr. Kogan
Kyra is from: Atlanta

How it Started: 3 months

How it's Going: 11 years

How it Started vs How it's Going: Brody

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot and AV Canal

Brody's Cardiologist: Dr. V.

Brody's Surgeon: Dr. Kirshbom

Brody is from: Monroe

How it Started: 3 months

How it's Going: 13 years

How it Started vs How it's Going: Jarrett

Children'sSM
Healthcare of Atlanta

Diagnosis: Hypoplastic right heart, Transposition of the greater arteries, Coarctation of the aorta, Mitral valve replacement, Pacemaker dependent

Jarrett's Cardiologist: Dr V.

Jarrett's Surgeon: Dr. Kanter

Jarrett is from: Winterville

How it Started: 3 months

How it's Going: 15 years

How it Started vs How it's Going: Averie

Children'sSM
Healthcare of Atlanta

Diagnosis: Truncus Arteriosus
Averie Jones's Cardiologist: Dr Riley
Averie Jones's Surgeon: Dr Subi
Averie Jones is from: Houston

How it Started: 4 months

How it's Going: 16 months

How it Started vs How it's Going: Krystin

Children'sSM
Healthcare of Atlanta

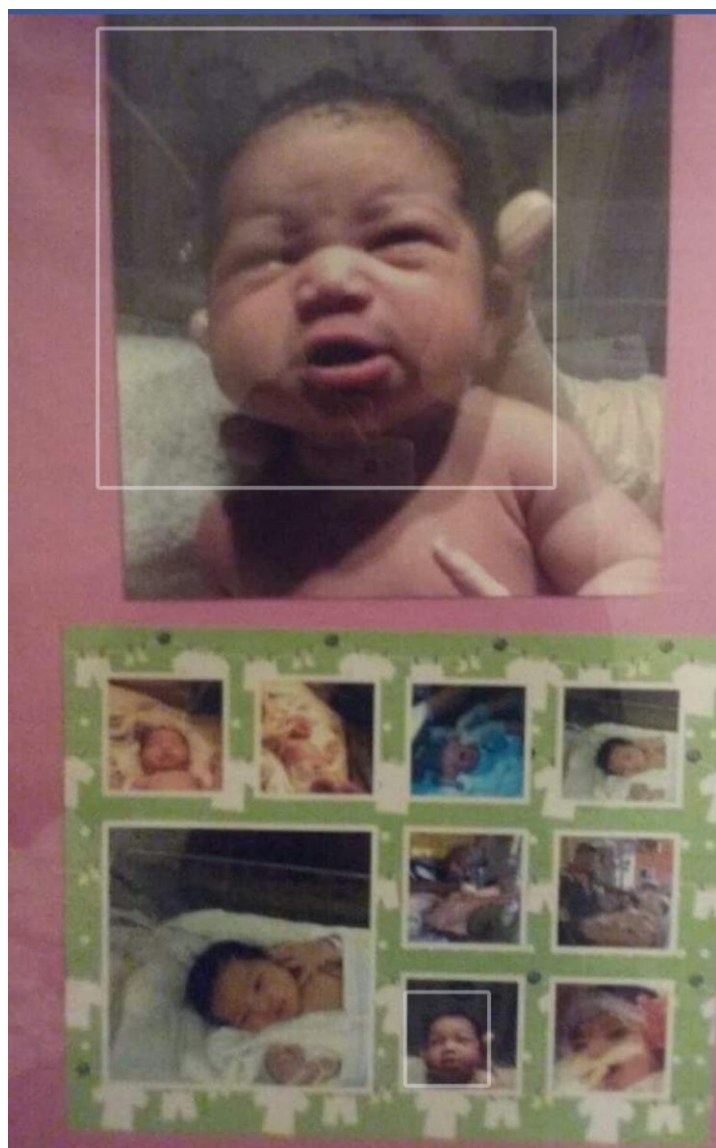

Diagnosis: Hypoplastic Left Heart Syndrome

Krystin's Cardiologist: Dr. Mao

Krystin's Surgeon: Dr. Shaw

Krystin is from: Loganville

How it Started: Newborn

How it's Going: 7 years old

How it Started vs How it's Going: Adiyah

Children's
Healthcare of Atlanta

Diagnosis: Endocarditis, Open heart Surgery

Adiyah Carter's Cardiologist: Dr. Beshish

Adiyah Carter's Surgeon: Dr. Shashidharan

Adiyah Carter is from: Atlanta

How it Started: 2 months

How it's Going: 7 months

How it Started vs How it's Going: Landon

Children'sSM
Healthcare of Atlanta

Diagnosis: Pulmonary Atresia with Intact Ventricle System

Landon's Cardiologist: Dr. Mahle

Landon's Surgeon: Dr. Kirshbom

Landon is from: Fairburn

How it Started: 6 weeks

How it's Going: 12 years old

How it Started vs How it's Going: Ashlyn

Children'sSM
Healthcare of Atlanta

Diagnosis: Truncus Arterousis

Ashlyn's Cardiologist: Dr. Jones

Ashlyn's Surgeon: Dr. Forbess and Dr. Kanter

Ashlyn is from: Riverdale

How it Started: 4 days

How it's Going: 18 years

How it Started vs How it's Going: Bethel

Children'sSM
Healthcare of Atlanta

Diagnosis: Complete heart block

Bethel's Cardiologist: Dr. Fischbach and Dr. Dodgen

Bethel's Surgeon: Dr. Rosenblum

Bethel is from: Columbus

How it Started: 1 day

How it's Going: 5 years

How it Started vs How it's Going: Luka

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot
Luka's Cardiologist: Dr. Stevens
Luka's Surgeon: Dr. Chai
Luka is from: Suwanee

How it Started: 5 1/2 months

How it's Going: 19 months

How it Started vs How it's Going: Milo

Children'sSM
Healthcare of Atlanta

Diagnosis: HLHS

Milo's Cardiologist: Dr. Dodgen

Milo's Surgeon: Dr. Shaw

Milo is from: Auburn, AL

How it Started: 6 days

How it's Going: 4 years

How it Started vs How it's Going: Hallie

Children'sSM
Healthcare of Atlanta

Diagnosis: DORV with a TOF physiology and SVT.

Hallie's Cardiologist: Dr. Videlefsky

Hallie's Surgeon: Dr. Shashidharan

Hallie is from: Marietta

How it Started: 6 months

How it's Going: 2.5 years

How it Started vs How it's Going: Qwinn

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot

Qwinn's Cardiologist: Dr. Furgeson

Qwinn's Surgeon: Dr. Kogan

Qwinn is from: Temple

How it Started: 9 years

How it's Going: 13 years

How it Started vs How it's Going: Kathya

Children'sSM
Healthcare of Atlanta

Diagnosis: PVS

Kathya's Cardiologist: Dr. Kim

Kathya's Surgeon: Dr. Shashidharan

Kathya is from: Smyrna

How it Started: 1 day

How it's Going: 4 years

How it Started vs How it's Going: Haylie

Children'sSM
Healthcare of Atlanta

Diagnosis: Pulmonary Atresia w/ Intact Ventricular Septum

Haylie's Cardiologist: Dr. Wallace

Haylie's Surgeon: Dr. Subi

Haylie is from: Jackson

How it Started: 4 months

How it's Going: 4 years

How it Started vs How it's Going: Kameron

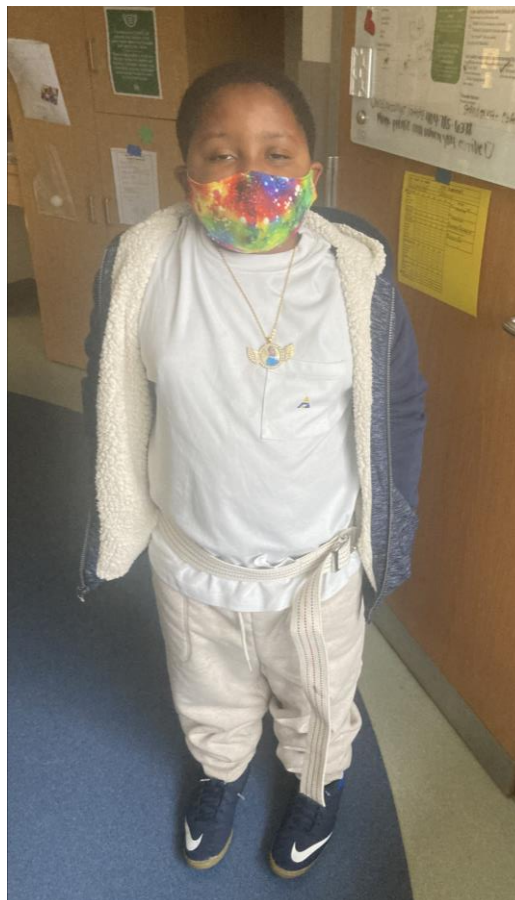

Children'sSM
Healthcare of Atlanta

Diagnosis: Heart failure
Kameron is from: Macon

How it Started: 7 years

How it's Going: 7 years

How it Started vs How it's Going: Kenslie

Children'sSM
Healthcare of Atlanta

Diagnosis: Truncus Arteriosus
Kenslie's Cardiologist: Dr. Salle
Kenslie's Surgeon: Dr. Kanter
Kenslie is from: Rydal

How it Started: 1 month

How it's Going: 7 years

How it Started vs How it's Going: James

Children'sSM
Healthcare of Atlanta

Diagnosis: d-TGA

James Casullo's Cardiologist: Dr. Samai

James Casullo's Surgeon: Dr. Subi

James Casullo is from: Atlanta

How it Started: 7 days

How it's Going: 8.5 months

How it Started vs How it's Going: Anna

Children'sSM
Healthcare of Atlanta

Diagnosis: Complete Heart Block with Pacemaker, ASD and dilated Aorta

Anna's Cardiologist: Dr. Iannucci

Anna's Surgeon: Dr. Shaw

Anna is from: Marietta

How it Started: 3 days

How it's Going: 2 years

How it Started vs How it's Going: Payton

Children'sSM
Healthcare of Atlanta

Diagnosis: ASD

Payton's Cardiologist: Blackwood

Payton is from: Juniper

How it Started: 3 years

How it's Going: 15 years

How it Started vs How it's Going: Grayson

Children'sSM
Healthcare of Atlanta

Diagnosis: D-TGA

Grayson's Cardiologist: Dr. Kanaan

Grayson's Surgeon: Dr. McKenzie

Grayson is from: Loganville

How it Started: Newborn

How it's Going: 5 years

How it Started vs How it's Going: Daviana

Children'sSM
Healthcare of Atlanta

Diagnosis: Dilated Cardiomyopathy

Daviana's Cardiologist: Dr. Mahle

Daviana's Surgeon: Dr. Kanter

Daviana is from: Tyrone

How it Started: 6 months

How it's Going: 7 years

How it Started vs How it's Going: Reese

Children'sSM
Healthcare of Atlanta

Diagnosis: ASD

Reese Harlin's Cardiologist: Dr. Michelfelder

Reese Harlin's Surgeon: Dr. Shaw

Reese Harlin is from: Franklin

How it Started: 3 years

How it's Going: 6 years

How it Started vs How it's Going: Reece

Children'sSM
Healthcare of Atlanta

Diagnosis: DILV with TGA

Reece's Cardiologist: Dr. Sachdeva

Reece's Surgeon: Dr. Kanter

Reece is from: Cumming

How it Started: 1 month

How it's Going: 20 months

How it Started vs How it's Going: Maria

Children'sSM
Healthcare of Atlanta

Diagnosis: ASD

Maria is from: Douglasville

How it Started: 4 years

How it's Going: 11 years

How it Started vs How it's Going: Emmie Lou

Children'sSM
Healthcare of Atlanta

Diagnosis: HLHS

Emmie Lou's Cardiologist: Dr. Toole

Emmie Lou's Surgeon: Dr. Subi

Emmie Lou is from: Ashburn

How it Started: 2 weeks

How it's Going: 2.5 years

How it Started vs How it's Going: Evelyn

Children'sSM
Healthcare of Atlanta

Diagnosis: Tricuspid Atresia with ASD, VSD and pulmonary stenosis

Evelyn's Cardiologist: Dr. Mahle

Evelyn's Surgeon: Dr. Davies

Evelyn is from: Acworth

How it Started: 5 months

How it's Going: 2 years, 9 months

How it Started vs How it's Going: Quinn

Children'sSM
Healthcare of Atlanta

Diagnosis: PAPVR, ASD, sub-aortic membrane

Quinn's Cardiologist: Dr. Sallee

Quinn's Surgeon: Dr. Kogon

Quinn is from: Cumming

How it Started: 2 days

How it's Going: 17 years

How it Started vs How it's Going: Rebecca

Children'sSM
Healthcare of Atlanta

Diagnosis: ALCAPA syndrome

Rebecca's Cardiologist: Dr. Butto, Dr. Mao, Dr. Mahle

Rebecca's Surgeon: Dr. Kanter

Rebecca is from: Waverly Hall

How it Started: 7 months

How it's Going: 3 years

How it Started vs How it's Going: Philip

Children'sSM
Healthcare of Atlanta

Diagnosis: dTGA/VSD , arch hypoplasia

Philip's Cardiologist: Dr. Harden

Philip's Surgeon: Dr. Shaw

Philip is from: Athens

How it Started: 5 days

How it's Going: 8 months

How it Started vs How it's Going: Lucy

Children'sSM
Healthcare of Atlanta

Diagnosis: ASD and PAPVR

Lucy Townley's Cardiologist: Dr. Samai

Lucy Townley's Surgeon: Dr. Subi

Lucy Townley is from: Atlanta

How it Started: 4 years

How it's Going: 4 years

How it Started vs How it's Going: Anna

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot

Anna Hammond's Cardiologist: Dr. Broderick

Anna Hammond's Surgeon: Dr. Kanter

Anna Hammond is from: Senoia

How it Started: 2 months

How it's Going: 4 years

How it Started vs How it's Going: Liam

Children'sSM
Healthcare of Atlanta

Diagnosis: Aortic Stenosis; Subvalvar, Interrupted Aortic Valve; VSD

Liam's Cardiologist: Dr. Harden

Liam's Surgeon: Dr. Chai

Liam is from: Watkinsville

How it Started: 8 days

How it's Going: 4 ½ years

How it Started vs How it's Going: Grayson

Children'sSM
Healthcare of Atlanta

Diagnosis: Subaortic Stenosis- Membrane

Grayson's Cardiologist: Dr. Toole

Grayson's Surgeon: Dr. Shaw

Grayson is from: Norman Park

How it Started: 6 years

How it's Going: 7 years

How it Started vs How it's Going: Everett

Children'sSM
Healthcare of Atlanta

Diagnosis: Coarctation of Aorta, VSD, ASD, and Bicuspid Valve

Everett's Cardiologist: Dr. Iannucci

Everett's Surgeon: Dr. Kirshbom

Everett is from: Roswell

How it Started: 5 days

How it's Going: 2 1/2 years

How it Started vs How it's Going: Paisley

Children'sSM
Healthcare of Atlanta

Diagnosis: HLHS and aortic stenosis

Paisley's Cardiologist: Dr. Watson

Paisley's Surgeon: Dr. Kanter and Dr. Subi

Paisley is from: Cedartown

How it Started: 5 months

How it's Going: 8 years

How it Started vs How it's Going: Gavin

Children'sSM
Healthcare of Atlanta

Diagnosis: Born with Coarctation of the aorta, ASD, VSD, open PDA, and aortic stenosis. Complete heart block led to pacemaker at 3.5 weeks old. Current diagnosis of Restrictive Cardiomyopathy.

Gavin's Cardiologist: Dr. Iannucci in Alpharetta, and Dr. Mao at the transplant clinic

Gavin's Surgeon: Dr. Alsoufi, Dr. Kanter and Dr. Emani

Gavin is from: Woodstock

How it Started: 19 days

How it's Going: 6 years

How it Started vs How it's Going: Ian

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot
Ian's Cardiologist: Dr. Iannucci
Ian's Surgeon: Dr. Shaw
Ian is from: Cumming

How it Started: 6 months

How it's Going: 20 months

How it Started vs How it's Going: Emerson

Children'sSM
Healthcare of Atlanta

Diagnosis: Coarctation of the Aorta, Bicuspid Aortic Valve

Emerson's Cardiologist: Dr. Lindsey

Emerson's Surgeon: Dr. Shaw

Emerson is from: Gainesville

How it Started: Six days

How it's Going: 7 months

How it Started vs How it's Going: Thomas

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of fallot

Thomas's Cardiologist: Dr. Wallace

Thomas's Surgeon: Dr. Kirshbom

Thomas is from: Newnan

How it Started: 2 months

How it's Going: 16 years

How it Started vs How it's Going: Thaddeus

Children'sSM
Healthcare of Atlanta

Diagnosis: Transposition of the Great Arteries

Thaddeus's Cardiologist: Dr. Lewis

Thaddeus's Surgeon: Dr. Alsoufi

Thaddeus is from: Morganton

How it Started: 4 days

How it's Going: 4 years

How it Started vs How it's Going: Athalia

Children'sSM
Healthcare of Atlanta

Diagnosis: TOF, Pulmonary Stenosis

Athalia's Cardiologist: Dr. Suthar

Athalia's Surgeon: Dr. Rosenblum

Athalia is from: Jonesboro

How it Started: 5 days

How it's Going: 2 months

How it Started vs How it's Going: Lee

Children's
Healthcare of Atlanta

Diagnosis: TOF, PA with VSD, RAA, MAPCAS

Lee's Cardiologist: Dr. Toole

Lee's Surgeon: Dr. Kogon and Dr. Shaw

Lee is from: Coolidge

How it Started: 1 day

How it's Going: 8 years

How it Started vs How it's Going: Zoey

Children'sSM
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot with Pulmonary Stenosis

Zoey's Cardiologist: Dr. Sabino

Zoey's Surgeon: Dr. Subi

Zoey is from: Cartersville

How it Started: 3 months

How it's Going: 2 years

How it Started vs How it's Going: Ryleigh

Children'sSM
Healthcare of Atlanta

Diagnosis: Pulmonary Atresia with Intact Ventricular Septum

Ryleigh's Cardiologist: Dr. Dodgen

Ryleigh's Surgeon: Dr. Subi, Dr. Kanter, and Dr. Shaw

Ryleigh from: Opelika, AL

How it Started: 15 days

How it's Going: 3 years

How it Started vs How it's Going: Maverick

Children'sSM
Healthcare of Atlanta

Diagnosis: Coarctation of the Aorta and Atrioventricular Septal Defect

Maverick's Cardiologist: Dr. Videlefsky

Maverick's Surgeon: Dr. Chai

Maverick is from: Oxford

How it Started: 1 week

How it's Going: 2 years

How it Started vs How it's Going: George

Children'sSM
Healthcare of Atlanta

Diagnosis: Supravalvular Aortic Stenosis & Peripheral Pulmonary Stenosis

George's Cardiologist: Dr. Fischbach

George's Surgeon: Dr. Kanter

George is from: Atlanta

How it Started: 3 months

How it's Going: 16 years

How it Started vs How it's Going: Maddox

Children'sSM
Healthcare of Atlanta

Diagnosis: Shone's Complex

Maddox's Cardiologist: Dr. Suthar

Maddox's Surgeon: Dr. Shashidharan

Maddox is from: Montgomery, AL

How it Started: 8 days

How it's Going: 4 years

How it Started vs How it's Going: Mabel

Children'sSM
Healthcare of Atlanta

Diagnosis: AVSD

Mabel's Cardiologist: Dr. Videlefsky

Mabel's Surgeon: Dr. Kanter

Mabel is from: Hoschton

How it Started: 7 months

How it's Going: 3 years

How it Started vs How it's Going: Sera

Children'sSM
Healthcare of Atlanta

Diagnosis: Critical Aortic Valve Stenosis and Mitral Valve Stenosis

Sera's Cardiologist: Dr. Salley

Sera's Surgeon: Dr. Chai

Sera is from: Chatsworth

How it Started: 2 weeks, 6 days

How it's Going: 1 year, 7 months

How it Started vs How it's Going: Gordy

Children'sSM
Healthcare of Atlanta

Diagnosis: Double Inlet Left Ventricle

Gordy's Cardiologist: Dr. Sabino

Gordy's Surgeon: Dr. Chai

Gordy is from: Armuchee

How it Started: 3 weeks

How it's Going: 9 months

How it Started vs How it's Going: Elizabeth

Children's
Healthcare of Atlanta

Diagnosis: Tetralogy of Fallot with Pulmonary Atresia, Coronary Artery Anomaly

Elizabeth's Cardiologist: Dr. Iannucci

Elizabeth's Surgeon: Dr. Kanter

Elizabeth is from: Cumming

How it Started: 3 months

How it's Going: 5 years

How it Started vs How it's Going: Everett

Children'sSM
Healthcare of Atlanta

Diagnosis: VSD, heart murmur
Everett's Cardiologist: Dr. Geffrard
Everett's Surgeon: Dr. Chai
Everett is from: Douglasville

How it Started: 1 hour

How it's Going: 5 months

How it Started vs How it's Going: Addyson

Children'sSM
Healthcare of Atlanta

Diagnosis: ASD, VSD, Down Syndrome

Addyson's Cardiologist: Dr. Oster

Addyson's Surgeon: Dr. Subi

Addyson is from: Griffin

How it Started: 4 days

How it's Going: 2 ½ years

How it Started vs How it's Going: Cornelius

Children'sSM
Healthcare of Atlanta

Diagnosis: TOF

Cornelius' Cardiologist: Dr. Wallace

Cornelius' Surgeon: Dr. Kirshbom and Dr. Kanter

Cornelius is from: Macon

How it Started: 1.5 months

How it's Going: 12 years

How it Started vs How it's Going: Michael
