The Interpreting Shared Leadership Council (SLC) at Children's Healthcare of Atlanta is pleased to invite you to the 2022 Interpreters Virtual Symposium. Children's Interpreting SLC is excited to once again, be able to offer this important event directly to our audience around the country, with the same interactive and collaborative spirit of our in person annual symposiums.

Please join us for a virtual day of learning, exchange ideas, and networking with Sponsors, Language Access Agencies and our interpreter's community and earn continuing education credits (CEUs) from the comfort of your home.
