<i>-Screening for Critical Congenital Heart Disease*</i>

*Topics that include 1 CME credit.

A lunch lecture includes one of our pediatric cardiologists visiting your practice during your lunch hour to speak about the cardiac topic of your choice. Lunch will be provided to staff who attends the lecture.

To schedule a lunch lecture call **404-256-2593** and ask for the marketing department or visit choa.org/sibleylunch to request online.
