Children's Collaboration

Children's and Emory University have collaborated with Atlanta Public Schools (APS) and Viral Solutions to bring convenient PCR COVID-19 testing to your kids and teens. Having a PCR test through this site will also contribute to crucial research through the National Institutes of Health (NIH) RADx Program. This pediatric-friendly testing site is open to the general public and provides testing for kids and adults who are symptomatic or have been exposed to COVID-19.

Location:

Frederick Douglass High School
225 Hamilton E. Holmes Drive NW
Atlanta, GA 30318

Hours:

Monday through Friday, 9 a.m. to 3 p.m.
