

# Center for Advanced Pediatrics

Children's<sup>SM</sup>  
Healthcare of Atlanta

New entrance effective June 1, 2024

## New Entrance to the Center for Advanced Pediatrics

As part of the [Georgia Department of Transportation \(GDOT\) I-85 and North Druid Hills improvement project](#) and in preparation for the Sept. 29 opening of [Arthur M. Blank Hospital](#), a new traffic signal has been activated on North Druid Hills Road at the main entrance to our campus.

When driving to appointments at the Center for Advanced Pediatrics, go to the new traffic light and turn into Children's North Druid Hills campus. Follow the signs to the Center for Advanced Pediatrics.

Note, Tullie Road no longer serves as an entrance to the Center for Advanced Pediatrics.
