About the Children’s Circle of Care

The Children’s Circle of Care is an international society of philanthropists who, through generous contributions to 26 children’s hospitals in North America, ensure excellence in pediatric healthcare now and in the future. In 2015, the Children’s Circle of Care at Children’s Healthcare of Atlanta expanded to 510 members. By joining the Children’s Circle of Care, you can play a significant role in enhancing hundreds of thousands of young lives here in our community.

Membership is open to individuals, couples, family foundations and privately held companies contributing $10,000 or more in a calendar year. You can designate which area of Children’s receives your gift, or you can make it unrestricted for use in the area of greatest need.

Contact your Children’s gift officer or Cindy Wesley at cindy.wesley@choa.org or 404-785-7371 to learn more about the Children’s Circle of Care.

An investment in the future

Your generosity is essential in supporting the lifesaving work happening on every floor of every Children’s campus.

Children’s has great plans for the next several years to transform pediatric healthcare and become the leading voice for the health of Georgia’s children. You can make an investment in our journey—which is already underway—by helping us achieve key goals such as:

- Elevating our commitment to clinical excellence.
- Advancing research in pursuit of new treatments and cures.
- Training the next generation of physicians, helping to ensure our hospitals are staffed with top-tier clinical leaders.
- Serving as a state leader in improving pediatric wellness through preventive care.
- Continuing to serve as the safety net for Georgia’s children, including those who are uninsured or depend on Medicaid.
