

## Join your peers

As a member of the 1998 Society, your financial support positively impacts the lives of our community's most vulnerable children. Your support is recognized in the following ways:

- Inclusion on a donor list for those who give \$1,000 or more
- Opportunities to attend the annual 1998 Society reception and other special occasions

"The new Center for Advanced Pediatrics has made coordinating Isabella's care so easy. My husband and I will do whatever it takes to make sure she gets better—even if that means driving back and forth to make multiple appointments. But being able to visit this building has been so helpful. As parents, that takes some unnecessary stress off our plates."

—Paola, mother of Isabella

*A portion of funds raised by the 1998 Society in 2017 benefited the Center for Advanced Pediatrics.*

## Doctors leading by giving

As a doctor, you impact the lives of patients and their families every day. As a member of the 1998 Society, you can join your peers in strengthening the future of pediatric medicine.

# 1998 Society

Established in 2001 and named for the year Egleston Children’s Healthcare System and Scottish Rite Children’s Medical Center merged to form Children’s Healthcare of Atlanta, the 1998 Society is made up of doctors who embody that same spirit of unity by pledging their financial support to Children’s.

## What does the 1998 Society do?

- Fundraises and advocates for Children’s
- Provides funding through grants for innovative and unique doctor-led programs
- Honors physician peers at The Big Deal fundraiser each year

## Congratulations to our 1998 Society

Nominate a colleague for the 2020 awards by visiting [choa.org/1998society](http://choa.org/1998society).

Since its inception 18 years ago, the 1998 Society has raised close to \$9 million for our patients and families by funding a number of programs and services, including:

- Center for Advanced Pediatrics
- Health Law Partnership Program
- Hughes Spalding librarian
- Medical simulation
- Mental health
- Palliative Care Program
- Safety Resource Center

Donations to the 1998 Society can be made to a donor-designated area or 1998 Society-supported areas, which are chosen carefully and thoughtfully by the 1998 Society’s board.

The 1998 Society Board set a fundraising goal of \$600,000 in 2019, a portion of which will benefit the following areas:

**Antibiotic Stewardship Decision (infectious diseases/SOAP)**—To help create decision support throughout the process of antimicrobial management in order to combat antimicrobial resistance.

#### Nephrotoxic Injury Negated by Just-in-Time

**Action (NINJA)**—To help reduce nephrotoxic acute kidney injury by decreasing preventable harm due to nephrotoxic medicines.

**Opioid Epidemic (orthopedics)**—To help engage providers and educate families to enhance responsible prescribing practices for children and teens.

**Schwartz Center Rounds (staff support)**—To help mitigate staff burnout and promote delivery of compassionate and collaborative care through regular opportunities for caregivers to receive peer support through dialogue about shared experiences.
