Enrollment is limited.

Course Description
This train-the-trainer program will provide the latest pediatric asthma information, including current National Institutes of Health (NIH) Guidelines for the diagnosis and management of asthma. All participants will receive the ACE flip chart, a teaching tool with color pictures for educating children, parents and staff about asthma management, and other educational resource materials.

Target Audience
This course is designed for physicians, nurse practitioners, physician assistants, pediatric and school nurses, respiratory therapists and other health professionals.

Objectives
At the completion of this activity, participants will better be able to:
• Evaluate the prevalence of asthma in children.
• Identify symptoms of asthma and recognize a child with poor control.
• Discuss environmental controls and asthma triggers.
• Describe, demonstrate and practice appropriate use of metered dose inhalers, nebulizers and peak-flow meters for quick relief and long-term control of asthma.
• Explain the purpose of the asthma education plan.
• Analyze NIH guidelines for classification, treatment and management of asthma, including medications.

Continuing Education Credits

Physical Education
Children’s Healthcare of Atlanta is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Children’s designates this live activity for a maximum of 3.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Education
Children’s Healthcare of Atlanta is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center Commission on Accreditation.

Contact Hours 3.50

Approval as a provider refers to recognition of education activities only and does not imply ANCC Commission on Accreditation or Alabama State Nurses Association approval or endorsement of any product. This program has been approved for 3.50 contact hours of continuing respiratory care education (CRCE) credit by the American Association for Respiratory Care (AARC).

Children’s Healthcare of Atlanta resolves to ensure that its educational mission, and particularly, its continuing medical education activities are not influenced by the special interests of any corporation or individual associated with its program. While having a financial interest or professional affiliation with a corporation does not necessarily influence a speaker's presentation, the standards of the Accreditation Council for Continuing Medical Education require that this relationship be disclosed to the audience. Any potential conflict of interest will be made known to participants at the beginning of the conference. Approved provider status does not imply endorsement by the provider, ANCC, or ASNA of any products displayed in conjunction with this activity.

All programs are intended to be accessible to all persons. If you have a disability and require assistance to fully participate in the conference activities, contact the conference coordinator to discuss your specific needs.
