General information

Course description
The purpose of this conference is to educate and provide the latest practical management and updates, novel therapies, and the morbidity of asthma in our community/state.

Who should attend
The conference will benefit pediatric primary care physicians, subspecialists, and advanced practitioners and other health professionals.

Objectives
At the completion of this conference, the participant should be better able to:

• Identify recent epidemiologic trends in food allergy prevalence and morbidity.
• Identify complete differential diagnoses of food allergies in children.
• Discuss pros and cons to various methodology for diagnosing food allergy.
• Identify when and to whom to refer a patient with suspected food allergies for further evaluation.
• Discuss recent literature on recommendations for decreasing risk for developing severe food allergies.
• Identify available community resources for families with a child with food allergies.

“Food Allergy Myths for thought”.....

1) True or False: Peanut oil has allergenic properties.

2) True or False: A blood or skin allergy test alone can diagnose a food allergy.

*To answer these questions and more, please register online. All participants are asked to answer these questions before registering. Questions will be answered and discussed at the conference.*
General information

Continuing Education Credits
Children’s Healthcare of Atlanta is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Children’s designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Education
This activity has been submitted to Children’s Healthcare of Atlanta to provide contact hours.
Children’s Healthcare of Atlanta is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
For more information regarding contact hours, please call Nancy Richardson at 404-785-7843.

Children’s Healthcare of Atlanta resolves to ensure that its educational mission, and particularly, its continuing medical education activities are not influenced by the special interests of any corporation or individual associated with its program. While having a financial interest or professional affiliation with a corporation does not necessarily influence a speaker’s presentation, the standards of the Accreditation Council for Continuing Medical Education require that this relationship be disclosed to the audience. Any potential conflict of interest will be made known to participants at the beginning of the conference. Approved provider status does not imply endorsement by the provider, ANCC, or GNA of any products displayed in conjunction with this activity.

All programs are intended to be accessible to all persons. If you have a disability and require assistance to fully participate in the conference activities, contact the conference coordinator to discuss your specific needs.

Visit www.choa.org/cme for more information about CME offerings at Children’s.
