This agenda is subject to change.
General Information

Course Description
The purpose of this conference is to update pediatric primary care and family practitioners about the latest information regarding medical conditions that affect pediatric and adolescent patients, and recommended treatment options.

Who Should Attend
The conference will benefit pediatricians, family practice physicians, physician assistants and pediatric nurse practitioners. Nurses and other health professionals involved in the care of children may find the information useful and are welcome to attend.

Objectives
At the conclusion of this activity, participants will be able to:

- Diagnosis and manage common child dermatological conditions including acne, cutaneous infections and infestations.
- Review treatment options for challenging cases in developmental behavioral pediatrics with emphasis on autism, ADHD and ODD.
- Discuss Immunization updates and infectious disease risks of international travel.
- Assess and evaluate common neurosurgical problems from infants to adolescents.

Location/Accommodations
Georgia Hotel and Conference Center
800 Spring Street NW
Atlanta, GA 30308

A group block has been reserved at a rate of $139 per night (plus taxes) for a standard room. To make reservations, call 404-838-2100 or 1-800-706-2899 and indicate you are attending the New Horizons in Pediatrics Conference. Reservations should be made as soon as possible, and no later than April 7, 2017 to guarantee this reduced rate. All reservations made after April 7, 2017 will be based upon space and rate availability.

Continuing Medical Education Credits

Physician Education
Children’s Healthcare of Atlanta is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Children’s designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Maintenance of Certification Part II
Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 11 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Nursing Education
This activity has been submitted to Children’s Healthcare of Atlanta to provide contact hours. Children’s Healthcare of Atlanta is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Children’s Healthcare of Atlanta resolves to ensure that its educational mission, and particularly, its continuing medical education activities are not influenced by the special interests of any corporation or individual associated with its program. While having a financial interest or professional affiliation with a corporation does not necessarily influence a speaker’s presentation, the standards of the Accreditation Council for Continuing Medical Education require that this relationship be disclosed to the audience. Any potential conflict of interest will be made known to participants at the beginning of the conference.

Approved provider status does not imply endorsement by the provider, ANCC, or ASNA of any products displayed in conjunction with this activity.

All programs are intended to be accessible to all persons. If you have a disability and require assistance to fully participate in the conference activities, contact the conference coordinator to discuss your specific needs.
