

Fetal Lunch Lecture Topics

Sibley Heart Center Cardiology

-Complex Congenital Heart Disease in the Fetus*
-Echo Assessment of Fetal Cardiovascular Function*
-Fetal Arrhythmias*
-Twin-Twin Transfusion*

**Topics include 1 CME credit.*

A lunch lecture includes one of our pediatric cardiologists visiting your practice during your lunch hour to speak about the cardiac topic of your choice. Lunch will be provided to the staff who attend the lecture.

To schedule a lunch lecture call **404-256-2593** and ask for the marketing department or visit choa.org/sibleylunch to request online.
