About Children’s Physician Group

Children’s Physician Group is one of the largest multispecialty pediatric physician practices in the country, with nearly 500 physicians and more than 300 advanced practice providers who are employed by Children’s Healthcare of Atlanta or serve as pediatric faculty members at Emory University School of Medicine.

Pediatric specialties

With convenient locations at our three hospitals and multiple neighborhood locations in Atlanta and surrounding communities, our pediatric-trained doctors and surgeons represent more than 30 pediatric specialties, including:

- Allergy and immunology
- Anesthesia
- Apnea
- Cardiothoracic surgery
- Child protection
- Critical care
- Dentistry and orthodontics
- Emergency medicine
- Endocrinology
- Gastroenterology
- General surgery
- Gynecology
- Hematology/ oncology
- Hepatology
- Hospitalists
- Infectious diseases
- Interventional radiology
- Neonatology
- Nephrology
- Neurology
- Neuropsychology
- Neurosurgery
- Nutrition
- Orthopaedics and sports medicine
- Otolaryngology (ENT)
- Pathology
- Physiatry/rehab
- Plastic surgery and craniofacial
- Pulmonology
- Radiology
- Rheumatology
- Sedation services
- Sleep
- Transplant

Specialty clinics

Our providers also participate in several specialty clinics, including:

- 22q Deletion
- Aerodigestive
- Cerebral Palsy
- Cerebrovascular Disorders
- Chronic Kidney Disease
- Concussion
- Cystic Fibrosis (CF)
- Developmental Neurology
- Developmental Progress
- Craniofacial Feeding
- Craniofacial Speech
- Epilepsy/Ketogenic Diet
- Genetics/Skeletal Disorders
- Hypertension
- Infantile Spasms
- Leukodystrophy
- Medically Complex
- Muscular Dystrophy
- Neurofibromatosis
- Neurogastroenterology and Motility
- Neuromuscular
- Neuro Metabolic
- Neuro Spine
- New Onset Seizures
- Pain Relief
- Pelvic and Anorectal
- Physiatry/Rehab
- Spasticity
- Spina Bifida
- Strong4Life
- Technology-Dependent Pulmonary
- Tuberous Sclerosis
- Vagus Nerve Stimulation
- Vascular Anomalies

404-785-DOCS (3627)

Children’s recognizes that sometimes complex navigation is needed to access healthcare services. By using this easy-to-remember phone number, physicians can connect to anyone or any service within our organization. 404-785-DOCS (3627) is staffed 24 hours a day, seven days a week by a team of experienced Children’s representatives who will promptly answer your call, evaluate your needs, provide the services requested or route you to the appropriate area.

Call 404-785-DOCS (3627) to:
- Schedule a patient appointment or ancillary test.
- Refer a patient to a Children’s Physician Group practice.
- Speak to a Children’s Physician Group provider during business hours through our physician-to-physician service.

- Access any Children’s service.
- Reach a patient, employee or department at Children’s.
- Collaborate on patient care.
Physician-to-physician service

Physician-to-physician is a service offered through 404-785-DOCS (3627). This service aims to provide you with improved access to our Children’s Physician Group practices during business hours. A designated provider for each Children’s Physician Group practice will be available Monday through Friday, 8 a.m. to 5 p.m., excluding holidays, to respond to your clinical inquiry.

Physician-to-physician consultations should be requested when you need to speak with a subspecialist for advice about a patient. It should not be used for questions that do not require a subspecialist physician, such as lab results or appointment scheduling.

Telemedicine

The expertise of our pediatric specialists is available to patients and healthcare providers through telemedicine. An easy-to-use service, telemedicine offers patients and providers remote consultations, evaluations and training using live video. Children’s Physician Group services and specialists offered through outpatient telemedicine consultations, include:

- Aerodigestive
- Allergy and immunology
- Audiology (Waycross only)
- Child protection
- Hepatology
- Interventional radiology
- Kidney transplant
- Otolaryngology (ENT)
- Psychology (autism only)
- Pulmonology
- Strong4Life
- Vascular anomalies

Visit choa.org/telemedicine for more information and to download a copy of our order form.

accessCHOA

accessCHOA is a free and secure web-based electronic health record system that provides instant access to your patients’ information. You will get customized notifications about patient events, which can be forwarded to anyone in your practice.

Referrals now available in accessCHOA

Trained practices can now place referrals to Children’s Physician Group specialists directly within accessCHOA. This new functionality is an addition to the ability to place orders for diagnostic tests, including lab and radiology, and rehabilitation and sports medicine. You will also be able to view an appointment status once it has been made and upload clinical documentation for referrals. Visit accessCHOA.org for more information on this functionality.

Center for Advanced Pediatrics

This summer, Children's is opening the Center for Advanced Pediatrics. This 26,000-square-foot facility will bring together multiple pediatric clinics and specialists under one roof, allowing families easier access to specialized, coordinated care.

1400 Tullie Road NE
Atlanta, GA 30329

Visit choa.org/breakingnewground for more information.

We’re expanding our team

We are pleased to introduce you to the newest members of Children’s Physician Group. The following physicians provide care in our ambulatory clinical service areas.

**ALLERGY AND IMMUNOLOGY**

Brian Vickery, MD
Director, Food Allergy Center
Acting Associate Professor, Emory University School of Medicine

- **Medical school**: Medical College of Georgia, Augusta, Ga.
- **Residency**: Pediatrics, New York Presbyterian Hospital/Weill Cornell Medical Center, New York, N.Y.
- **Fellowship**: Allergy and Clinical Immunology, Yale University School of Medicine, New Haven, Conn.

**Clinical interests**: Understanding the pathophysiology of food allergies and anaphylaxis, developing new therapies

**APNEA AND PULMONOLOGY**

Samar Shah, MD
Assistant Professor of Pediatrics, Emory University School of Medicine

- **Medical school**: American University of the Caribbean, Cupecoy, St. Maarten
- **Residency**: Pediatrics, University of Buffalo School of Medicine/Women and Children’s Hospital of Buffalo, Buffalo, N.Y.
- **Fellowship**: Pediatric Pulmonology, Emory University School of Medicine/Children’s Healthcare of Atlanta, Atlanta, Ga.

**Clinical interests**: General pulmonology, high risk asthma, apnea

**CYSTIC FIBROSIS (CF) AND PULMONOLOGY**

Haitham Shahrour, MD

- **Medical school**: Damascus University Faculty of Medicine, Damascus, Syria
- **Residency**: Pediatrics
- **Fellowship**: Pediatric Pulmonology, Emory University School of Medicine/Children’s Healthcare of Atlanta, Atlanta, Ga.

**Clinical interest**: Cystic fibrosis

**GYNECOLOGY**

Krista Childress, MD
Assistant Professor of Obstetrics and Gynecology, Emory University School of Medicine

- **Medical school**: University of Illinois, Champaign, Ill.
- **Residency**: Obstetrics and Gynecology, Northwestern University, Chicago, Ill.
- **Fellowship**: Pediatric and Adolescent Gynecology, Baylor College of Medicine/Texas Children’s Hospital, Houston, Texas

**Clinical interests**: Congenital anomalies of the reproductive tract, early and delayed puberty, ovarian masses, menstrual problems, endometriosis, contraception, vulvovaginal issues, polycystic ovary syndrome, disorders of sexual development, pediatric fertility preservation

**ORTHOPAEDICS AND SPORTS MEDICINE**

Armand Scurfield, MD

- **Medical school**: University of Mississippi Medical Center, Jackson, Miss.
- **Residency**: Pediatrics, University of Arkansas/Arkansas Children’s Hospital, Little Rock, Ark.
- **Fellowship**: Sports Medicine, Baylor College of Medicine/Texas Children’s Hospital, Houston, Texas

**Clinical interests**: Non-operative musculoskeletal conditions, including fracture care, sprains, strains and sports injuries; concussion management in athletes

**INFECTIOUS DISEASES**

Preeti Jaggi, MD
Associate Professor, Emory University School of Medicine

- **Medical school**: Ohio State University, Columbus, Ohio
- **Residency**: Pediatrics, Children’s Memorial Hospital, Chicago, Ill.
- **Fellowship**: Pediatric Infectious Diseases, Children’s Memorial Hospital, Chicago, Ill.

**Clinical interests**: Reoccurring fever, management of children and adolescents with infectious diseases

**RHEUMATOLOGY**

Angela Taneja, MD, RhMSUS
Assistant Professor of Pediatrics, Emory University School of Medicine

- **Medical school**: Universidade Regional de Blumenau, Santa Catarina, Brazil
- **Residency**: NYC Health + Hospitals/Woodhull, New York, N.Y.
- **Fellowship**: Pediatric Rheumatology, Emory University School of Medicine, Atlanta, Ga.

**Clinical Interests**: Juvenile idiopathic arthritis, chronic non-bacterial osteomyelitis, musculoskeletal ultrasound

**NEUROPSYCHOLOGY**

Nneka Morris Alexander, PhD

- **Doctoral**: Clinical Psychology, University of North Carolina, Greensboro, N.C.
- **Fellowship**: Emory University School of Medicine/Children’s Healthcare of Atlanta, Atlanta, Ga.

**Clinical interests**: Neurodevelopmental outcomes in children with congenital heart disease, psychosocial adjustment in families and children with cardiac problems, emotion regulation, parent training
Ambulatory clinical service areas
Physicians listed with an asterisk are new Children’s Physician Group providers.
