

# APPOINTMENT CANCELLATIONS

---

## Important information for families

Keeping appointments is important for your child's treatment. We understand other obligations may arise that force you to miss an appointment.

If you are unable to make your child's appointment, cancel the appointment as soon as possible by using one of three easy methods:

- Call **404-785-KIDS (5437)**.
- Respond to our text, email or phone call reminder.
- Visit your child's MYchart account.

At Children's Physician Group, your child's health is our number one priority. When you don't cancel appointments, you prevent other children from being seen and receiving important care and treatment. Thank you for your help and understanding as we strive to best serve the needs of all of our patients.
